MINI RF MOUSE

Best companion for mobile users in the office and on trips

Issue February 2005

Pages 2

The Wireless Optical Mouse MB comes in a stylish, black-silver colouring, which matches to every PC. Its lovely appearance, the compact construction and the small dimension are a real eye-catcher and make this mouse ideal for mobile use. Furthermore, the 800 dpi optical sensor enable great precision, visual contact between mouse and receiver unit is not necessary. With its 1 m RF range it is perfect for mobile users and with its small form factor it is perfect for to go.

Reliability

- Optical technology
- Precise and comfortable navigation due to optical sensor with 800 dpi resolution
- Country-specific warranty

Usability

- RF connection for easy use with notebooks
- Works on nearly every surface

Ergonomics

- Three buttons and one wheel
- 1 m range
- Lifestyle design

Modern production technology

- High quality coupled with the best price/performance ratio guaranteed
